MERINO

MERINO - 2016 REGULATIONS 1. All Merino sheep must be owned and bred by the Exhibitor. 2. All Merino sheep must be inspected and tagged with AASMB official shearing tag. 3. All Merino sheep must be micron tested and be tested by the A.W.T.A. / from 1st May -10th June the year of the Show. The samples to be tested must come from the mid-side area on the near side of the sheep. Sampling and collection must be administered by members of the Shearing Tag Committee or nominees of the President of the relevant state Stud Merino Sheepbreeders Associations. 4. Exhibitors may enter up to 5 sheep in any class or classes. 5. Poll Merinos must

Australian Sheep and Wool Show 2016

be entered in Poll Merino classes and are not to be shown in Merino classes (except where otherwise specified). Horned Merinos are not to be shown in Poll Merino Classes (except where otherwise specified). 6. All sheep entered as unhoused may be housed any time within one week after shearing, but shall not be otherwise housed or rugged in anyway from the previous shearing up to the 1st June preceding the ASBA show of that year. 7. Each sheep submitted for inspection (prior to being tagged with the Association inspection tag) shall carry not more than 12.5mm (1/2 inch) of wool as at the 15th August/1st March. 8. Limit on Entry into Multiple Classes - Subject to the relevant schedule, an exhibit must not be entered in more than one ordinary class. Special group classes, championship, sale rams and trophy classes do not count as ordinary classes. 9. Merino Classification will be from midday to 6.00pm on Thursday 14th July 2016. Polls and teeth will be checked by stewards and judges will assess for wool type. Information of any changes will be recorded on your Confirmation of Current Entries Form - you must take this to the central recording desk for recording, even if no changes are required. 10. All Merino entries including March Shorn entries must be fleece tested. Tests for Dubbo in the year of the show are acceptable for Bendigo, tests for Sydney Royal are not. 11. Any withdrawal of entries or replacement entries must be emailed to competitions@sheepshow.com by Tuesday 12 July, 2016. Failure to do so, will result in that animal being ineligible to compete and the entry fee will be non refundable. Injury due to transit will be at the discretion of the Committee. MOST SUCCESSFUL EXHIBITOR AWARDS The Most Successful Exhibitor Awards in the Ultrafine, Superfine, Fine, Fine/Medium, Medium and Strong Wool Sections, where applicable, will be calculated as follows: Classes: First, 5 points; second, 4 points; third, 3 points; fourth, 2 points; fifth, 1 point. AUSTRALIAN POLL MERINO REGULATIONS

1. All Poll Merino sheep must be owned and bred by the Exhibitor. 2. All Poll Merino sheep must be inspected and tagged with AASMB official shearing tag. 3. All Poll Merino sheep must be micron tested and be tested by the A.W.T.A from 1st May - 10th June the year of the Show. The samples to be tested must come from the mid-side area on the near side of the sheep. Sampling and collection must be administered by members of the Shearing Tag Committees or nominees of the President of the relevant state Stud Merino Sheepbreeders' Associations. 4. Exhibitors may enter up to 5 sheep in any class or classes. 5. Poll Merinos must be entered in Poll Merino Classes and are not to be shown in Merino classes. 6. All sheep entered as unhoused may be housed anytime

within one week after shearing, but shall not be otherwise housed or rugged in any way from the previous shearing up to the 1st June preceding the ASBA Show of that year. 7. The wool count as defined in the respective Merino Sections apply similarly in the Poll Merino Section. 8. Each sheep submitted for inspection (prior to being tagged with the Association inspection tag) shall carry not more than 12.5mm (1/2 inch) of wool as at the 15th August/1st March. 9. Limit on Entry into Multiple Classes - Subject to the relevant schedule, an exhibit must not be entered in more than one ordinary class. Special group classes, championship, trophy classes and sale rams do not count as ordinary classes. 10. Poll Merino rams shall conform to the definition laid down by the Australian Association of Stud Merino Breeders, i.e.: - be sired by Merino ram or Poll Merino ram out of a Merino ewe or a Poll Merino ewe, and; - have a concavity in the bone of the skull on the horn site. A bone knob or a small scur may be set in the concavity. - Not have more than 25mm in diameter of scur or horn or they will be disqualified.
11. Merino classification will be from midday - 6.00pm on Thursday 14 July, 2016. Polls and teeth will be checked by stewards and judges will assess for wool type. Information of any changes will be recorded on your Confirmation of Current Entries form - you must take this to the central recording desk for recording even if no changes are required. 12. Any withdrawal of entries or replacement entries must be emailed to competitions@sheepshow.com - By Tuesday 12th July, 2016. Failure to do so, will result in that animal being ineligible to compete and the entry fee will be non refundable. Injury due to transit will be at the discretion of the Committee. CORRIEDALE

FEATURE BREED "CORRIEDALES BRED TO PERFORM" REGULATIONS ALL EXHIBITORS WHEN PRESENTING ANIMALS FOR JUDGING SHOULD BE WEARING AN APPROVED BREED UNIFORM OR BE APPROPRIATELY ATTIRED TO PARADE SHEEP. 1. Only sheep registered with the Australian Corriedale Association Inc. or approved Overseas Corriedale Associations will be accepted for entry. 2. Exhibitors may enter a maximum 5 sheep in open class, subject to a limit in aggregate entries of the total number of sheep that could be entered by the Exhibitor in any particular section on the basis of two sheep in each class. 3. Shearing: "In wool" classes: - Open to sheep shorn on or after 1st July in the year prior to the Show. "Shorn" classes: - All shorn sheep to be machine shorn on or after 1st July of the year of the Show. All sheep in the shorn classes will be scanned and if possible, the results will be made available to the judge. 4. Corriedale sheep in the "Milk Teeth only" classes must show a full mouth of milk teeth at time of inspection otherwise they shall automatically be transferred to the appropriate "under 11/2 years old" class. The Exhibitor shall ensure that he has no more than 5 sheep in any class. 5. All rams over 11/2 years old and under 21/2 years old are to be micron tested. If numbers are greater than 20, the class will be divided into two classes - fine wool and strong wool. 6. All sheep must remain in a particular class after they have been passed by the Inspectors' as being eligible for such class. 7. It is recommended that exhibitors display on a white card over each pen information on fleece testing e.g.. micron, yield, and CV. Also, scan measurements of shorn sheep. 8. All Corriedale rams and ewes under 11/2 years of age will be scanned for eye muscle, fat depth and also weighed. Please note that shorn rams over 11/2 years will NOT be scanned. These figures are to be displayed on the pens at the Show and be available for the Judge. Lambplan rams must be scanned as well if they are to come out on the floor for the championships. 9. All ewes

under 11/2 years of age , and all rams under 21/2 years of age, to be micron tested for the show.
