

Kowai Country Sports and Family Fun Day 99 Years young going on 100

Remember Centennial Sports 2nd March 2008.

The 99th Kowai Country Sports and Family Fun Day in the Sefton Domain was blessed with perfect weather on Sunday 4th March.

A good crowd enjoyed the various attractions Highland Dancing (who reported a record number of dancers), Wood Chopping, Shearing, Country Iron Man which this year included Sheaf Tossing and a Tug of War with a mud puddle in the middle. Traction Engines, Vintage Machinery and cars made a bold display in the centre of the Domain. The ice cream man seemed to be one of the most popular people on the grounds. All the competitions we ran were well supported. We wish to thank everyone who contributed with prizes, or help to make the day a really successful one.

We now look forward to making the 100th a DAY TO REMEMBER.
