Competitors in jumping events are required to wear an approved safety helmet. Floats and/or conveyances must be parked as directed. No pony or hack under three years of age is permitted to be shown under saddle at the Show. Completing the entry form The name of the horse or pony must accompany all entries. For classes where a RAS Certificate (RAS Height Certificate or Identification Form) is required, the certificate number must be included on the entry form at the time of entry. Combining, altering or cancelling The Committee reserves the right to alter or combine the programme, classes or sections as it sees fit and will advise entrants accordingly. Sections without three or more entries received at close of entries may be cancelled. Where a class or section is cancelled competitors will be advised as early as possible and can choose to be reimbursed or transfer their entry to another section they are eligible for. RAS Certificate A RAS Certificate is a RAS issued Annual or Life Height Certificate or Horse/Pony Identification Form (issued from 1 August 2016). Where classes are defined by height, competitors/exhibitors must carry a current RAS Certificate for their horse/pony at all RAS affiliated Shows/Events, and must produce it upon request to any authorised Show/Event personnel. Where any competitor is unable to produce such a certificate the exhibit is ineligible to compete, and will forfeit any awards Competitors in sections 34-45; 51; 55 and 64B-64E will be required to carry a current RAS Certificate. Other sections may require performance cards or a RAS Certificate in accordance with the breed society rules. The Otago Taieri A & P is not eligible to accept or offer Temporary Measuring Certificates. Failure to carry a RAS certificate where required will result in elimination. Entering multiple sections Where classes entered clash, it is up to the competitor to choose which to attend. Competitors are encouraged to enter as many sections as they are eligible for unless stated, however: animal welfare is paramount combinations entered in sections 34-44 are not eligible for section 62 All classes are programmed to follow and all competitors are requested to be on time for their event. It may be necessary to disqualify late arrivals in order that a strict timetable is adhered to. or (after Christmas) to have weaned an early foal and be back in foal with a spring due date. Mares falling into either of the above categories should prove their eligibility with a veterinary certificate. Anything less will be unacceptable. Novice classes Novice classes are restricted to horses and ponies that have 0-5 wins in any section. In sections 34-41 a Novice Reserve champion may be awarded where more than 4 exhibits are entered in the novice classes of the section. Yellow Card This Show/Event supports the RAS 'Yellow Card' system. A Yellow Card will be issued in cases of offences in respect of abuse of animals or inappropriate behaviour as per the RAS Constitution and the RAS Rules & Regulations/Bylaws including the Equestrian Rulebook at the RAS affiliated Show/Event/registered Measuring Stand and their grounds. Duly appointed delegates may deliver to the Person Responsible for an animal a Yellow Warning Card (either immediately or within 10 days of the show). Full wording of the 'Yellow Card' system is available to view on the RAS website - www.ras.org.nz. Forbidden Substance The Rules of the Royal A & P Society New Zealand in regard to Forbidden Substances apply. Competitors are advised that tests for forbidden substances may be carried out during the Show/Event and that testing of all animals is at the risk of the person responsible for the animal. A Forbidden Substance is defined as any substance capable of affecting the speed, stamina, courage or conduct of a horse, pony, donkey or mule by its action upon the central or peripheral nervous system or the cardio-vascular, respiratory, alimentary, digestive, musculoskeletal or urogenital systems. Arrears No person who is in arrears to the Otago Taieri A & P with regard to entry fees, subscriptions, or any other Show/Event charge is eligible to compete at any affiliated Show/Event. Proof of payment will be required before any restriction is lifted. Summary of RAS Resolution Process The full process can be found on the RAS website www.ras.org.nz. The principle behind the process is to deal with the matter as it comes to hand and in most cases it should be dealt with directly by the show. If the matter is in regards to an RAS official, the show may request the assistance of RAS Head Office as to how to deal with this in an appropriate manner.
